

EXPORT PRODUCT

Corporate Profile

We pride ourselves as the country's market leader in producing a range of steel furniture and architectural finishes by utilizing the right mixed of skilled craftsman and technology. With greater durability and flexibility and far more resilient for everyday use, steel furniture is the epitome choice for workplace furniture.

Our in-house steel furniture brands like "Lucky", "Kingdom", "Okamura", and "Chitose", redefined Thailand's

workspaces by creating products that helped people reach their full potential to work, think, and learn. We understand the importance of workplace to workers; therefore, we constantly strive to innovative in our products and services. For nearly 70 years, our achievement in creating products and services that has great practicality has been highly praised and recognized on international levels through multiple awards.

By choosing our products, services, and insights, we can help you create a sustainable, interconnected workspace. Our goal is to help our clients conceptualize, design, and install the right products while ensuring their time, budget, and satisfaction.

With our extensive experience and expertise in steel furniture, our team is ready to assist your every need.
